1. Introduction

Győrfy Máté, 1046 Budapest Bajza József utca 16., 8487360602 (hereinafter referred to as the Service Provider or Data Controller) is subject to the following Privacy Policy.

In accordance with REGULATION (EU) 2016/679 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL (General Data Protection Regulation, GDPR), dated 27 April 2016, on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (repealing Directive 95/46/EC), we provide the following information.

This Privacy Policy governs the data processing of the **Brendo** mobile application (hereinafter: Application). The data subjects include all individuals who use the Application, the associated website <https://brendo.app> (hereinafter: Website), and the services and features accessible through them (hereinafter: Services) (hereinafter collectively referred to as Users). The purpose of this document is to provide the information required under Article 13 of the GDPR at the time personal data is collected, including details about the method, purpose, legal basis, scope, duration, and recipients of data processing, as well as users' rights and legal remedies.

In order to use all features of the Application and the Service, it is necessary for the User to provide certain personal data to the Service Provider. These data are handled by the Service Provider in accordance with applicable laws and are processed solely for the purpose of providing the service and operating the application.

By using the Service, the User acknowledges that they have read and accepted this Privacy Policy. The User also acknowledges that when sharing a **Post** (see: Terms & Conditions, paragraph 4), they will not upload any personal data.

The Service Provider considers the protection of Users' personal data and the right to informational self-determination as a priority. All necessary security and technical measures are taken to ensure the confidential treatment and security of personal data.

The User acknowledges responsibility for downloading the Application and using it based on adequate information and on a voluntary basis. Modifications to this Policy become effective upon their publication on the <https://brendo.app> website.

4. Collected Data and Purposes of Data Processing

4.1 Why do we collect User data?

A. Operation of the Service

To enable basic functionalities of the app.

B. User Experience Improvement

We use anonymous statistics to analyse which features are used and for how long, to improve the Service.

C. Security and Abuse Prevention

To detect misuse, errors, or unauthorised use of the app.

D. Legal Compliance

Certain data must be retained to comply with legal obligations (e.g., complaints).

The purpose of processing is to enable and maintain the operation, improvement, and security of the Application. The personal data are only used to the extent necessary for the operation of the Application.

No promotional or marketing content is sent to the User.

The User consents to the collection of anonymous usage statistics, including which functions are accessed and for how long. These are fully anonymised and not traceable to the User.

4.2 Collected Data, Purposes, and Types

User-submitted data:

A. Camera and Photos: The User can upload photos either taken directly or chosen from their phone to create and share **Posts** (see: <link>). **These posts, including the photos are publicly accessible to other Users.** Access to the camera or gallery is optional. Only voluntarily uploaded photos are stored. These **must not** contain personal data (e.g., names, faces, contact details), or anything that can be used to identify an individual. While the Service Provider may check uploaded content, the User remains responsible for avoiding personal data in images.

Automatically collected data:

B. Technical Data: Includes IP address, browser type/version, operating system, and platform. These are used to ensure security, reliability, and troubleshooting.

4.3 Data Subjects:

All natural persons using the Application.

4.4 Data Retention:

Starts upon completion of the onboarding process. Data are stored for 30 days and then automatically deleted. The data collected for statistics and analytics purposes are fully anonymous, these are not deleted.

4.5 Legal Basis for Data Processing:

The data processing is based on the following legal grounds, in accordance with the GDPR and applicable Hungarian legislation:

- **Performance of a contract (Article 6(1)(b) GDPR):** Processing is necessary for the provision of the Application's services and for the creation and performance of the contract between the User and the Service Provider.
- **Consent of the data subject (Article 6(1)(a) GDPR):** Certain data processing activities—such as the use of optional features or analytics—require the User's prior consent.
- **Compliance with a legal obligation (Article 6(1)(c) GDPR):** In some cases, processing is required by law (e.g., complaint handling).
- **Legitimate interest of the Service Provider (Article 6(1)(f) GDPR):** In specific cases, data processing is based on the Service Provider's legitimate interest, such as maintaining the security of the Application or analysing errors. The Service Provider ensures that such processing does not infringe the User's rights.

5. Data Recipients and Processors
